Prevent the Transmission of HIV/AIDS

Be a part of prevention in Maine

We are a group of community members working together to advise the Maine Center for Disease Control and Prevention on ways to prevent the transmission of HIV/AIDS in Maine.

The Community Planning Group (CPG) needs you! if you are:

- ◆ HIV positive
- ◆ Injection drug user
- ◆ Males who have sex with males
- ◆ Female with risk factors

Benefits of joining our group are:

- ◆ You will receive a stipend to attend our meeting
- ◆ Food provided at our meetings
- ◆ Overnight accommodations available
- ◆ Mileage will be paid
- ◆ Child Care available
- ◆ A chance for your voice to be heard
